FAQS

Can we bring our own alcohol or outside catering?

Our talented chefs already offer an exquisite selection of dishes, and we have an extensive drinks menu. If you have specific preferences, feel free to ask—we may be able to source your desired items. Corkage fees apply.

Are we allowed to bring our own wedding cake?

Absolutely! We are happy to cut and serve your cake during the evening reception. If you'd like it plated with berries or ice cream, we charge a service fee of £6 per person.

Is the outdoor space available for our use?

Our outdoor area is open to the public unless you have chosen to hire the venue exclusively.

Can we use candles for decoration?

Yes, candles are welcome, but only in enclosed holders—no open flames are permitted.

Can we decorate the venue before the wedding?

We will take care of setting the tables and arranging place cards. If you require more extensive decorations, additional fees may apply. These details will be discussed during your planning meeting.

Can the closing time be extended?

Yes, you can extend the celebration! A half-hour extension until 11:30 PM is £250, and a full-hour extension until midnight is £500.

Can we play our own music?

We have a PA system available for you and your guests to use—simply connect and enjoy!

Is it possible to have a live band?

We allow bands with up to three performers. However, due to space and acoustic considerations, a DJ may be a better fit for the venue.

Can we use confetti?

Unfortunately, we don't have dedicated outdoor space for confetti, and it's not permitted inside the venue.

Is there parking available?

While we don't have on-site parking, there is a public car park just a short 5-minute walk away.

Are dogs allowed at the venue?

Yes! We are delighted to welcome your furry friends.
